CURRICULUM FAQs

1. What is the curriculum framework followed by Pace Academy?

At Pace Academy, we adhere to the standards set by the Department of Education (DepEd) in the Philippines. Our curriculum is designed to provide a well-rounded education that meets both national and international benchmarks.

2. How are subjects structured in the curriculum?

Our curriculum is structured to cover key learning areas, including English, Mathematics, Science, Filipino, Civics, MAPEH (Music, Arts, Physical Education, and Health), and Values Education. The structure aims to foster holistic development in our students.

3. Are there additional programs beyond the standard curriculum?

Yes, we offer various enrichment programs and extracurricular activities such as sports, arts, and leadership programs to complement the academic curriculum. These programs aim to develop skills beyond the classroom setting.

4. Is there a focus on character education?

Absolutely. Our curriculum includes Values Education to instill strong moral and ethical values in students. We believe in nurturing not only academic excellence but also character development.

5. How are assessments and grading conducted?

Assessments are conducted through a combination of quizzes, exams, projects, and class participation. Grading is based on a percentage system, and report cards are issued regularly to keep parents informed about their child's progress.

6. Can students choose elective subjects or tracks?

In higher grade levels, students may have the opportunity to choose elective subjects or tracks based on their interests. Our guidance counselors are available to assist students in making informed decisions.

7. Is there a provision for students with special needs?

Yes, Pace Academy is committed to inclusive education. We have support programs and work closely with parents and specialists to ensure that students with special needs receive the assistance they require.

8. How often is the curriculum updated?

The curriculum is periodically reviewed and updated to align with educational trends, advancements, and the changing needs of our students. Updates are made in consultation with educators, parents, and relevant authorities.

9. Are there opportunities for parental involvement in the curriculum?

Yes, we encourage parental involvement. Regular parent-teacher conferences, workshops, and school events provide opportunities for parents to engage with the curriculum, understand teaching methodologies, and support their child's learning journey.

10. How can I stay informed about my child's progress in the curriculum?

We provide regular updates through parent-teacher conferences, report cards, and our online portal. Parents are encouraged to communicate with teachers and attend school events to stay actively involved in their child's education.
